

# PT3

## US Style Wall-Mount Transformer

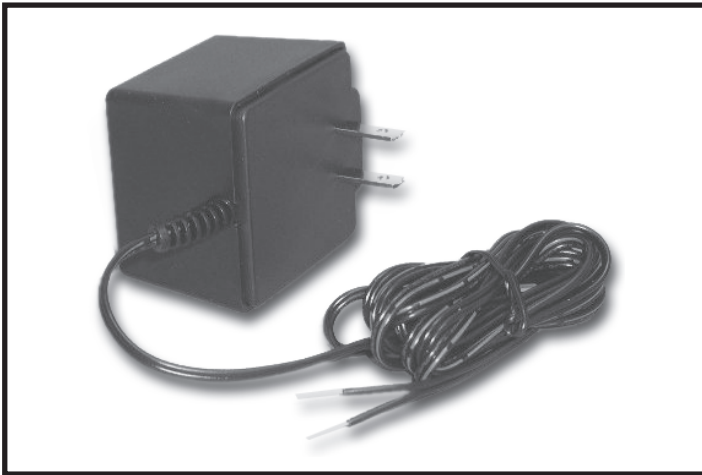

Figure 1: PT3 Power Supply

# PT3E

## European Style Transformer

Figure 2: PT3E Power Supply

### Specifications

| Model                     | PT3  |
|---------------------------|--|
| Electrical Specifications |  |
| Input                     | 120VAC, 60Hz, 18W  |
| Output                    | 12VAC, 1000mA, 12.0VA  |
| Output Cable Length       | 6.0 ft (1.83m) minimum                                       |
| Dimensions                | 2.21 in x 2.14 in x 1.65 in<br>(56.1 mm x 54.4 mm x 41.9 mm) |
| Weight                    | 11.0 oz (312g)   |

### Specifications

| Model                     | PT3E   |
|---------------------------|--|
| Electrical Specifications |  |
| Input                     | 230VAC, 50Hz, 10W  |
| Output                    | 12VAC, 500mA, 6VA  |
| Input Cable Length        | 3.5 ft (1.1m) minimum  |
| Output Cable Length       | 6.0 ft (1.83m) minimum                                       |
| Dimensions                | 2.70 in x 1.95 in x 1.60 in<br>(68.6 mm x 49.5 mm x 40.6 mm) |
| Weight                    | 11.0 oz (312g)   |
